

Grist Mill Drive is in the process of becoming a Crime Watch Area. Would you be interested in starting a Crime Watch Area in your neighborhood? If you have an interest in establishing a Crime Watch Area would you be willing to attend a meeting to discuss the specifics of establishing a Crime Watch Area?

If so, please call the Borough Office at (717) 749-5808 and express your willingness to attend a meeting. Calls will be received from September 1, 2016 through September 23, 2016. After the Borough tallies the results it will be determined if there is enough interest to hold a Town Meeting. Further information would be provided at that time.
