### CHRISTMAS TREE LIGHTING, FRIDAY DECEMBER 1ST

I know it is hard to believe that we would be even talking about Christmas Tree lighting once again, but it is upon us. The theme this year is Winter Wonderland. Traditional and Contemporary Christmas music will be provided prior and after the tree lighting thanks to the Praise Band and cooperation from the three UMC's and CBC Church beginning at 6:00 p.m. at the United Methodist Church. The annual Borough Tree lighting ceremony will be held at 6:30 p.m. in the square. Guests who don't want to brave the cold will be able to watch the tree lighting by Skype in the sanctuary of the UM church. We have special guests to light the tree this year so come and see who they are. Santa will arrive on the fire truck around 6:45 p.m. with treats for the kids I am told. Our Miniature Pony friend will also make an appearance. We will have light refreshments in the Borough Building of hot chocolate, punch and cookies as well as at the church.

**Kids – stop by the Borough office the month of November and pick up your ornament kit to decorate. It's a really cool ornament this year that we would like to display for the month in the Borough Office and then you can take it home with you. It has your name and your unique thumb prints on it.**
